## **New and Continuing Family and Friends:**

- Lena Steiner: The Shumney family, who are friends from when we lived in TN, unexpectedly lost their 13-year-old son, Logan, 2 days ago. I don't know any details, but the loss of such a sweet, vibrant, kind kiddo is absolutely devastating. Please be praying for his mom, Elle, his dad, Justin, and his brother, Luke. Navigating their world without Logan's bright light will be incredibly difficult.
- Gay Porter: Please lift Dorian and her family as she battles cancer and is receiving chemo treatments
- Jennifer and Julianna Spans: prayers for Susan Shonda (my mom) for health issues.
- Bennett Family: Prayers for the Brosseau family's safety and financial support in this difficult time they are experiencing economically. We pray for a roof over their head and food for their family."
- Linda Lavery: Prayer team and staff prayers, please, for Son-in-Law Jeff Martens while he goes through cancer treatment."
- Ab: please pray for black and white cats and dark-colored cats to be rescued from the street and get food, water, and safe shelter. Thanks.
