

Rev. Pam Bentley

Associate Pastor

Rev. Pam Bentley is a Licensed Local Pastor in the United Methodist Church with a deep passion for helping people feel seen, known, and welcomed into the life of faith. Prior to being licensed by the Virginia Annual Conference in 2024, she served in both volunteer and staff roles across churches of various sizes, leading ministries with children, youth, adults, and in areas of hospitality and connection.

Pam is committed to sharing God's grace in ways that are accessible and meaningful, especially for those who are new to faith or returning after time away. She believes faith grows best in community and is nurtured through love, service, and connection with others.

She is known for her relational leadership style, her heart for hospitality, and her desire to help others discover their gifts and purpose. Pam and her husband David have two adult daughters, Liz (recently married to Spencer) and Kate, as well as their affectionate cat, Fifi.
