

Shannon Terranova

Director of Children and Youth Discipleship

Shannon Terranova has been a member of BUMC since mid 2016. Her children, Logan and Abigail, both attended BUMP Preschool and loved it! Shannon graduated from Eastern Mennonite University, where she majored in Special Education and Theater. She also worked on her Masters program, focusing on Special Education and ABA therapy. Shannon has spent the last 18 years as a Special Education Teacher with a focus on children on the autism spectrum, children with a variety of diverse learning needs, and children with behavior challenges. Shannon has a passion for helping others, musical theater, organization, her connection to the Capitol Police family, advocacy for social justice and awareness, and being a "fun mom."

Together with her children and Service dog, Duncan, she enjoys creating new memories, honoring old ones, and beginning new adventures! Shannon is a long time volunteer and loves helping her community, friends, neighbors, and family. As Shannon takes leave from her commitment in the classroom, she is excited to still work with children and families, while adding her blend of spunk, creativity, sparkle and positive spirit to the BUMC staff!
