

# Calculating *Your Giving Percentage*

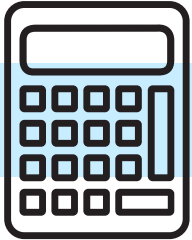

Annual Income =

1.

Estimated amount  
of giving for 2022 =

2.

## Do the Math!

$$\frac{\text{Amount \#2}}{\text{Amount \#1}} \div \frac{\text{Amount \#1}}{\text{Amount \#1}} = \text{Current Giving Percentage}$$

$$\frac{\text{Amount \#1}}{\text{Amount \#1}} \div 10 = \text{Target Giving Percentage}$$

As people of faith, we are called to be generous and give back a portion of our gifts to God. We encourage you to pray about what percentage you are able to raise your estimate of giving for the 2023 year, or if you're ready to commit to the full 10%! You can fill out your estimate of giving card online at [burkeumc.org/stewardship](http://burkeumc.org/stewardship).
