New and Continuing Family and Friends:

- Laura Buchs: prayers for my great aunt Beth Maley, who was diagnosed with lung cancer several weeks ago when being treated for a heart attack for which she received two stints. She is now going through chemo and radiation treatment. She lives far away from us and our family. She watched my mom, who died in 2021, go through cancer treatments twice in life, and it can be additionally distressing for her.
