Anthem - Welcome

Caelan Ryberg, tenor

Words: Laurie Zelman & Mark A. Miller; Music: Mark A. Miller

Let's walk together for a while and ask where we begin to build a world where love can grow and hope can enter in, to be the hands of healing and to plant the seed of peace, singing welcome, welcome to this place. You're invited to come and know God's grace. All are welcome the love of God to share 'cause all of us are welcome here; all are welcome in this place. Let's talk together of a time when we will share a feast, when pride and power kneel to serve the lonely and the least, and joy will set the table as we join our hands to pray. Let's dream together of the day when earth and heaven are one, a city built of love and light the new Jerusalem, where our mourning turns to dancing, every creature lifts its voice, crying welcome!
