New and Continuing Family and friends:

- **Lisa Wallace:** Although we aren't members, we've considered BUMC part of our family. Our son, Vladimir, did scouting and BUMC youth group for many years. My husband Nick and I were involved in scouting as well. Nick will undergo heart bypass surgery next Wednesday, September 25. Will you hold Nick and his doctors in your prayers? We pray for successful surgery and recovery so that he can heal and feel well again.
- **Cecelia Rosser:** Cindy Murphy (sister-in-law) was diagnosed with lymphatic cancer this week. Additional tests Monday to see if the cancer has spread to the central nervous system, for which the prognosis is poor.
- **Kevin and Kathy Taylor:** Prayers were answered! My sister Trish is doing very well and on a good path. Thank you.
- **Heather Heflin** is having her knee replacement surgery today. Prayers for Heather as well as the surgeons so that all goes well.
