

# Karen Ciolino

## *Administrative Assistant*

Karen has resided in Northern Virginia for her entire life but only moved to Burke in the beginning of February 2021 to begin a new chapter with her partner, Chris, and their three children- Jacob (16), Sophie (13), and Olivia (5). She has held a full time Office Manager position with the same company since 2005 but joined the BUMC staff part time towards the end of 2025 to expand her professional experience and be part of a more "God-centered" environment. She has greatly enjoyed getting to know the incredible staff, volunteers, and some members of the church, and hopes to continue to grow and assist however she can within the church community!

Aside from her motherhood joys and duties, her favorite pastimes include spending time outdoors, anything artistic like crafting and sketching, laughing hysterically with her family, and continually learning how to better care for her many plants and animals!
